RecShow '09

February 17 - 19, 2009

Kempinski Hotel, Dead Sea, Jordan

Following the successful conclusion of RecShow '08 where 120 delegates from 40 countries attended the conference, we are pleased to announce RecShow '09 to be held same time and venue in 2009.

As before, we invite you to hear from others who are making a difference, learn about new trends, and discuss important current and emerging Environmental issues as they relate to Jordan and Middle East region.

What is this conference about?

This three-day event fosters opportunities for professionals in the Environmental arena to network, build relationships, and explore new ideas. By bringing together differing viewpoints and discussing the challenges that impact Environmental policy and protection, we will all be able to work more effectively and efficiently to better the environment.

What you'll find at the conference:

RecShow '09 Congress focus is on sharing and learning:

Pre-conference training day

International and regional speakers discussing the hottest trends in Environmental management.

Environmental hot topics, regulations, industry-driven issues, new technologies and current/emerging issues.

Suggested Topics

Managing landfills.

Medical solid waste management

Legislation enforcement, and economic instruments used in developed countries to manage pollution

Integrated Waste Management

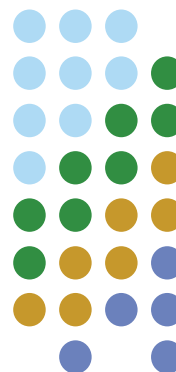

Recycling

Case Studies "Success Stories"

Sustainability in the Waste Field; Waste Recovery and Energy to waste; Wastewater Treatment and Water Reuse; Waste Management Technologies; Special Wastes

Who Should Attend?

Government, consultants, contractors, engineers, operators, educators, businesses, and other personnel in the Environmental field.

RecShow '09

About RecShow '09

The RecShow Exhibition and Congress is the second Middle East Recycling, Waste and Environmental Management event to take place in Jordan covering areas of Environmental interests in the region.

Organized by MEEF International Events Management features a pre-conference training, 10 subject tracks, break-out sessions devoted primarily to technical content, regional and local speakers, and many exhibitors.

RecShow '08 was held on February 17-19, 2008 was concluded successfully with 120 delegates participating from 35 countries. RecShow '09 - the Second Middle East Water, Waste and Environmental Management Congress to be held in the same venue on the same dates 2009.
